The Honorable Shaun Donovan  
Director, Office of Management and Budget  
725 17th Street, NW  
Washington, DC 20503

Dear Director Donovan:

The Government Charge Card Abuse Prevention Act of 2012\(^1\) requires us to report to the Office of Management and Budget (OMB) on the implementation of recommendations made to address findings of any analysis or audit of charge card and convenience check transactions or programs. OMB Memorandum M-13-21 further requires that we submit the report within 120 days of the end of the fiscal year. During fiscal year 2014, we issued one report\(^2\) on the Department of Transportation’s (DOT) travel card program. In our report, we made four recommendations to DOT and FAA program officials to strengthen travel card controls and reduce program costs. In response to the report, DOT agreed to implement our recommendations. In addition, one recommendation remains open from our fiscal year 2013 report on DOT’s purchase card program.\(^3\) This letter’s enclosure summarizes the status of each recommendation.

If you have any questions or need further information, please contact me at (202) 366-1407, or George Banks, Program Director, at (410) 962-1729.

Sincerely,

Louis C. King  
Assistant Inspector General for Financial and Information Technology Audits

4 The Federal Aviation Administration (FAA) accounts for approximately 80% of all DOT travel card activity. Accordingly, FAA maintains an internal program group to assist in the oversight of travel card activity, by FAA employees.
