In accordance with the Chief Financial Officers Act of 1990, we are initiating an audit of the Department of Transportation's (DOT) consolidated financial statements for fiscal years 2020 and 2019. The objective of this audit will be to express an opinion on whether DOT's financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States. We have engaged KPMG LLP, an independent public accounting firm, to conduct this audit subject to our oversight.

KPMG will conduct its work in accordance with generally accepted Government auditing standards and the Office of Management and Budget's (OMB) Bulletin 19-03, *Audit Requirements for Federal Financial Statements*. The work will be done at DOT Headquarters in Washington, DC, and selected field offices. The audit report will be delivered to OMB, the Treasury Department, and the Government Accountability Office by November 15, 2020.

The entrance conference for this audit is scheduled for Monday, February 24, 2020, in the DOT Conference Center. If you have any questions or need additional information, please contact me at (202) 366-1407, or George Banks, Program Director, at (202) 420-1116.
