Transportation**

Office of Inspector General

Subject: **INFORMATION:** Attestation Engagement –  
Review of Fiscal Year 2017 Drug Control  
Obligation Summary and Performance Summary  
Reports  
Federal Aviation Administration  
Project No. 18F3001F000

Date: November 16, 2017

From: Louis C. King   
Assistant Inspector General for Financial  
and Information Technology Audits

Reply to  
Attn. of: JA-20

To: Federal Aviation Administrator

In January 2013, the Office of National Drug Control Policy (ONDCP) issued its Accounting of Drug Control Funding and Performance Summary Circular (the Circular). The Circular requires agencies to submit annual drug control obligations and performance reports and inspectors general to review these reports.

As required, the Office of Inspector General is initiating an attestation engagement of the Federal Aviation Administration's (FAA) fiscal year 2017 Drug Control Obligation Summary and Performance Summary Reports. Our objective is to provide negative assurance as to whether any information came to our attention based on the work performed to indicate that management's assertions are not fairly presented, in all material respects, in conformity with the Circular's requirements. We will not express an opinion on the accuracy of FAA's Drug Control Obligation Summary and Performance Summary Reports.

We will begin our attestation engagement immediately and contact your audit liaison to schedule an entrance conference. The Circular requires that we submit our report to ONDCP by February 1, 2018. To meet this timeframe, we need FAA's signed fiscal year 2017 reports by December 5, 2017.

If you have any questions, please call me at (202) 366-1407, or George Banks, Program Director, at (410) 962-1729.
