An independent auditor performed the audit pursuant to the provisions of Title 2 of the Code of Federal Regulations, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and identified the findings shown in the attachment to this memorandum.

Within 30 days of this report, your Agency should identify specific actions planned or taken to resolve the findings and provide a target action date for implementation of the recommendations. We will track the recommendations until your Agency provides documentation of final action. The recommendations will be considered closed upon our review and concurrence. All actions should be coordinated through your Agency's Single Audit Liaison. If you have any questions, please email them to singleauditrequest@oig.dot.gov.
