As part of our single audit program oversight responsibilities, we have downloaded the single audit report1 of the State of Rhode Island and Providence Plantations for the fiscal year ended June 30, 2016. An independent auditor performed the audit pursuant to the provisions of the Office of Management and Budget’s Uniform Guidance and identified findings shown in the attachment to this memorandum.

A finding concerns the use of American Recovery and Reinvestment Act (ARRA) funds. Within 30 days of this report, your Agency should identify specific actions planned or taken to resolve the findings and provide a target action date for implementation of the recommendations. We will track the recommendations until your Agency provides documentation of final action. The recommendations will be considered closed upon our review and concurrence. All actions should be coordinated through your Agency’s Single Audit Liaison. If you have any questions, please email singleauditrequest@oig.dot.gov.
