As part of our single audit program oversight responsibilities, we have downloaded the single audit report<sup>1</sup> of the Commonwealth Ports Authority for the fiscal year ended September 30, 2016. An independent auditor performed the audit pursuant to the provisions of the Office of Management and Budget's Uniform Guidance and identified a finding shown in the attachment to this memorandum.

Within 30 days of this report, your Agency should identify specific actions planned or taken to resolve the finding and provide a target action date for implementation of the recommendation. We will track the recommendation until your Agency provides documentation of final action. The recommendation will be considered closed upon our review and concurrence. All actions should be coordinated through your Agency's Single Audit Liaison. If you have any questions, please email [singleauditrequest@oig.dot.gov](mailto:singleauditrequest@oig.dot.gov).
