

Dr. Eileen Ennis

Assistant Inspector General
for Administration and
Management

A S ASSISTANT INSEPECTOR GENERAL FOR ADMINISTRATION AND MANAGEMENT, DR. ENNIS

oversees the DOT OIG's full range of administrative services, including human resources, training, information technology, financial management, and acquisitions and procurements.

Prior to joining OIG in February 2015, Dr. Ennis served in the Department of Homeland Security's (DHS) Science and Technology Directorate as the Director of Administration and Support.

Before her appointment at DHS, she served as the Deputy Special Inspector General for Operations at the Office of the Special Inspector General for the Troubled Asset Relief Program. There, she was responsible for standing up the newly created agency from a blank canvas and establishing all operational, administrative, technical, and infrastructure programs and services.

Prior to the creation of SIGTARP, she was the Associate Administrator for Administration and Chief Information Officer (CIO) for DOT's Research and Innovative Technology Administration. In addition, Dr. Ennis temporarily served as the Acting Director of DOT's Volpe National Transportation Research Center, where she oversaw a unique fee-for-service Federal organization that conducted nearly \$300 million in annual research and innovation projects addressing the nation's transportation challenges. Also at DOT, she worked in the Office of the Chief Information Officer where she served as an Associate CIO presiding over a \$3 billion IT budget.

Previously, Dr. Ennis was employed at the Commodity Futures Trading Commission where she was a Deputy Director/Deputy CIO. Earlier in her Federal career, she worked at the DOT OIG as a Project Manager, conducting information technology and cybersecurity audits. She also had an 11-year career in as a material control manager for various manufacturing industries.

Dr. Ennis holds a Ph.D. in information systems from Nova Southeastern University in Fort Lauderdale, Florida; an MA in information and resources management from Webster University; and undergraduate degrees in psychology and law enforcement/criminal justice. She is a graduate of two master's-level programs at the National Defense University, the Federal CIO and Government Leadership.
